

# The Prophets Speak

I

ISAIAH & JEREMIAH

“These prophets, these men and women chosen of God as channels of communication, have spoken and written what God has revealed to them in holy vision. The precious word of God comprises these messages. Through these prophets members of the human family have been led to an understanding of the conflict that goes on for the souls of men, the conflict between Christ and His angels and Satan and his angels. We are led to an understanding of this conflict in earth’s closing days, and of the means provided by God to care for His work and to perfect the characters of His people.” —*Counsels for the Church*, p. 9.
